

HEY, THIS COFFEE IS GROOVING!

Unoffice is what happens when you combine superior brewing performances with an exclusive vintage design. Customize your work break with Unoffice, the vintage-style tabletop coffee machine designed to please your never-ending search for high-end perfection. Designed to solely process coffee from its beans, you can fill Unoffice's double beans canister with coffee beans and let it grind. Available in four vintage colors to add a touch of Italian flair to your venue, Unoffice comes with two water supply options: an internal self-tank system or a direct water connection.
